The Canadian Association of Aquarium Clubs is the parent organization of many of the aquarium societies in Canada and parts of the north-eastern U. S. They hold monthly business meetings in Waterdown, ON. Everyone is welcome.

How did you find out about our club? _____
If this is a 'Family' membership, do you have any 'Junior' (up to and including 16 years of age) members in your family? If so, please state their age/s and name/s. (We supply name tags to wear at the meetings.)

How many tanks are you maintaining and what is/are your special interest/s in the hobby at this time?

Other hobbies? _____

Is your water supply from the city
or from a well?

E-mail address? _____

Your occupation? _____

SIGNATURE _____

THE BENEFITS OF MEMBERSHIP IN S.C.A.A.S.

- Many opportunities to meet other hobbyists from S.C.A.A.S. and other clubs in Canada and the U.S., to share experiences and exchange information.
- Discounts at participating pet stores.
- Newsletters containing articles, items for sale, upcoming events such as shows and auction sales (often in other cities), where it is often possible to buy plants and fish that maybe unavailable locally.

- The opportunity to sell some of your own excess stock.
- Participation in breeding and plant propagation programs, jar shows and the running of the club.
- The S.C.A.A.S. library – a collection of books, club newsletters and magazines.
- The enjoyment of a variety of special speakers and programs.

RENEWALS (membership committee use only)
